This books is in the open domain. You may quote or use portions as you see fit.  
But remember, a memory is for a life time, but a good reference is forever.

## Germany 1958-1962 Photo Compendium BOOK B

### Introduction

This set of compendiums are about the family living in Wiesbaden Germany. Compendium B has additional photos that did not make it into Helga's Germany albums. They are grouped by the page number from the original albums. Not each page has additional photos.

Due to the number of photos, those photo from Travels are included in Compendium C
