Introduction

This is a family album of Hans von Schweinitz, Helga (wife), Bettina (daughter), and Christopher (son) von Schweinitz. The time frame is 1977 to 1980 while in living in Saudi Arabia

From November 1977 to January 1980, Hans took on a job with Northrop in Saudi Arabia. Helga and Chris went to live with Hans in Saudi Arabia. Bettina stayed in Austin Texas and attended University.

A more detailed account of what occurred during their time in Saudi Arabia is included in other books. This book only has photos and their captions, along with miscellaneous pamphlets, articles, and other paperwork that they collected.

The albums that Helga put together were based on her system. In this compendium, the misc subject photos not in Book A or Book B have been sorted into subjects, sort of.
