by Bettina von Schweinitz

Introduction

In 1982 I was in the US Air Force in San Antonio and I found out about Volksmarching from the Base Newsletter. I participated in a walk and enjoyed myself. I became a member of the AVA (American Volkssport Association) and continued to walk until 2016.

An event book costs \$5 when blank and ½ of \$2 per event and there are 25 events in each book. I already have \$30 invested in each event book. Most of my walks are 10km so it takes 2 event books per 500km.

A Distance books costs \$5 when blank and ½ of \$2 per event and there are 500 km per book. Most of my walks are 10km. I already have \$55 invested in each distance book.

It takes me about 2 years to complete two event books (50 events) and one distance book (500km). To get 10-day processing, I would have invested \$60 in event books, plus \$55 in distance book, plus \$25 x 2 years membership. The total is \$165. The threat from the AVA was that if you do not have a paying membership, you could wait for months after sending in completed books before you get your certificates.

To make matters worse, of the \$2 I was paying per walk, the AVA wanted a high percentage from the clubs.

I never sent in another book since receiving this letter. Instead, I continued buying blank books, paying for the walks, and just filling in the books. Everything was for my own enjoyment anyway.

Conditions of Attainment

1. The granting of Achievement Awards was introduced to encourage participation in events organized under the International Federation of Popular Sports (IVV) rules and regulations. These sporting events, group wanderings, bicycling tours, ski wanderings, etc., are organized to promote public health and welfare.
2. Achievement Awards are only granted when all conditions set forth by IVV for their category have been fulfilled. Events must not be completed within a time limit. Only events that are sponsored by IVV affiliated organizations will be considered toward Achievement Awards.
3. The IVV Event Listing book contains the names of all IVV affiliated organizations which are authorized to sponsor these sporting events. The IVV emblem will be printed on these organization's programs.
4. The granting of an award for achievement does not depend upon individual completing a specified number of events or a distance total in any given year.

Event Record Books are stamped upon completion of the event, regardless of distance. One event, one stamp, unless it is a multi-day event, i.e., 100 km in 3 day event. The distance Record Book will have the actual distance covered recorded to the left of the certification stamp. This stamp may be recorded as many times as necessary to record the distance covered.
7. The IVV Achievement Awards are granted for the following achievement levels:
 - a) For the Event Record: After 10, 30, 50 and every 25 events thereafter until 600. After 600, every 50 events.

 - One event stamp is placed in the IVV Event Book upon completion of the event, regardless of distance. Except for sanctioned "special events", no event may give credit more than once per year. A year-round event is not a "special event".
 - One distance stamp is placed in the IVV Record Book upon completion of the event and the actual distance covered recorded to the left of the certification stamp. You may participate in an event as many times as you would like for distance credit. You will receive a stamp and the appropriate distance for each time you participate as long as the appropriate fee is paid at the time of registration.
- Check for proper validation before leaving the Finish Table. Your books are your responsibility.
