Tina's Calendars Compendium

Introduction

This is a compendium of Tina's Calendars from years 2002, 2004, and 2006. While living in Montgomery County Maryland, Tina made these calendars for family members, so that they could also enjoy the county's beauty.

The 2002 calendar consists of photo from Tina's walks through out Montgomery County, Maryland.

The 2004 calendar consists of photo from Tina's walks through out Maryland and Virginia.

The 2006 calendar consists of art work by Tina. A local park, Glen Echo, in Montgomery County Maryland, provided lots of activities which included art classes. These classes were fun and educational.

The 2002 calendar is missing the cover and December photo

The 2004 calendar is missing the cover and December photo

After the 3 calendars is a collection of photos that might have been included in future calendars.
