There are different terms for crocheting in American and British English. If this pattern includes crochet, click for "crochet terms" here. For this pattern in British English, please click here.

INFORMATION FOR THE PATTERN:

RIDGE/GARTER STITCH (worked back and forth):
1 ridge = Knit 2 rows.

SMALL CACTUS WITH SEED STITCH:

(next time, use medium yarn and cast 30-35 sts loosely)
7-8" wide and 30g weight

The piece is worked back and forth on needle.

Cast on 40 stitches with needle size 4 mm / US 6 and pistachio. Work * knit 1, purl 1 *, repeat from *-* to end of row. Continue working knit over purl and purl over knit - REMEMBER THE GAUGE! Continue in this way until the piece measures 9 cm / 3½". Cut the strand, pull it through the stitches together with 1 extra strand - this is to give added strength. Pull the stitches together tightly and fasten the strands well. Sew the side seam - sew edge to edge. Tack a double strand around the cast-on edge, fill the cactus with stuffing, pull together at the bottom and fasten the strands well. Place the cactus in a small terracotta pot.

MEDIUM CACTUS WITH ENGLISH RIB:

30g weight

The piece is worked back and forth on needle.

Cast on 12 stitches with needle size 4 mm / US 6 and forest green. Knit 1 row (to tail) from the right side. Work the next row as follows: Knit 1, Knit 2 stitches in each of the next 11 stitches (i.e. pknit 1 stitch in the back loop of the stitch and knit 1 stitch in the front loop of the stitch) = 23 stitches. REMEMBER THE GAUGE!

Continue with English rib as follows:

ROW 1: (to tail) Work * knit 1, 1 yarn over, slip 1 stitch as if to purl *, repeat from *-* until there is 1 stitch left, finish with knit 1.

ROW 2: (away) * 1 yarn over, slip 1 stitch as if to purl, knit together the yarn over and the slipped stitch *, repeat from *-* until there is 1 stitch left, finish with 1 yarn over, slip 1 stitch as if to purl.

Row 2 (away) my version: *1 yarn over, slip 1 stitch purl, (Knit tog below next st and yo)*, end with yarn over, slip 1 st purl.

ROW 3: (to tail) * Knit together the yarn over and slipped stitch, 1 yarn over, slip 1 stitch as if to purl *, repeat from *-* until there are 2 stitches left, knit together the yarn over and the slipped stitch.

Row 3 (to tail) my version: *(Knit tog below next st and yo) 1yo, slip 1 stitch purl *, when 2 left then Ktog below next st & yo.

Repeat rows 2 and 3 upwards.

When the piece measures 12 cm / 4¾"(next time go to 5.5"), purl 1 row from the wrong side. Work the next row as follows: Knit 1, knit the remaining stitches

together 2 and 2 [end with 12 sts]. Cut the strand, pull it through all the stitches [12], together with 1 extra strand - this is to give added strength. Pull the stitches together and fasten the strands well.

Sew the side seam - sew edge to edge in the outermost loop of the outermost stitch. Tack a double strand around the cast-on edge, fill the cactus with stuffing, pull together at the bottom and fasten the strands well. Place the cactus in a small terracotta pot.

LARGE CACTUS WITH GARTER STITCH:

30g weight

You work 1 large part and 1 small part (with flower), these are sewn together at the end.

LARGE PART:

The piece is worked back and forth on needle.

Cast on 29 stitches with needle size 4 mm / US 6 and green. Work GARTER STITCH - see description above. REMEMBER THE GAUGE! bind off when the piece measures 10 cm / 4".

Sew the cast-on and bind-off edges together, edge to edge in the outermost loop of the outermost stitch.

Tack a double strand around the whole of one side, pull together at the top and fasten the strands well. Fill with stuffing and sew together the other side in the same way.

SMALL PART:

The piece is worked back and forth on the needle.

Cast on 18 stitches with needle size 4 mm / US 6 and green. Work 10 ridges [each ridge = 2rows, do for 20rows or 2.75"). Bind off.

Sew together and fill with stuffing in the same way as the large part. Sew the small part to the large part with a couple of stitches at the bottom edge.

FLOWER:

Cast on 3 stitches with needle size 4 mm / US 6 and a left-over of mustard.

ROW 1: Knit 1, 1 yarn over, knit 1, 1 yarn over and knit 1 = 5 stitches.

ROW 2: Knit - the yarn overs are knitted twisted to prevent holes.

ROW 3: Knit 1, * 1 yarn over, knit 1 *, repeat from *-* to end of row = 9 stitches.

ROW 4: Knit, the yarn overs are knitted twisted to prevent holes.

* Pass the 2nd stitch over the first stitch on the needle (= 1 stitch less) *, repeat from *-* until there is 1 stitch left on the needle. Cut the strand and pull it through the last stitch, pull tight to a small ball. Tack a strand around the opening, pull tight and fasten well. Sew the flower onto the end of the small part.

6: ch2, hdc into back loop, in spiral, want ridges to outside. Repeat row 6 until high enough about 6 rows or 2" worth

7: sc into back of posts

8: hdc into sam post from 7 (causes ridge to front)

Flowers

C-hook H-8US/5.00mm

Ch: chain st, sl st slip stitch, sc single crochet, hdc half double crochet, dc double crochet, tr triple crochet

When you make crocheted flowers, the petals are created in rounds as you go. For three-dimensional flowers such as these, it's a two-step process. You start with the petals in the center, then crochet chain loops behind these petals in the second round. On the third pass around, you crochet the actual petals in the chain loops from the previous row. You just keep working in this fashion until all petals round are completed.

Crochet or knit square.

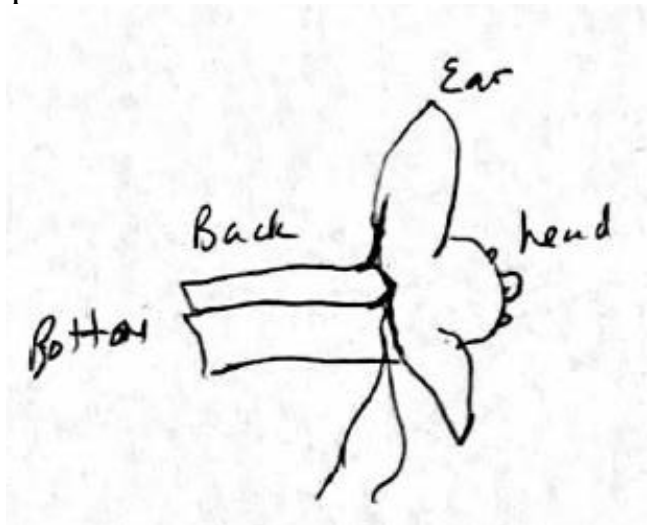

Crochet Hook G/6-4.25mm chain 30 = 7" SC rows until square

Knit needle 3.50mm case 30=7", knit until square

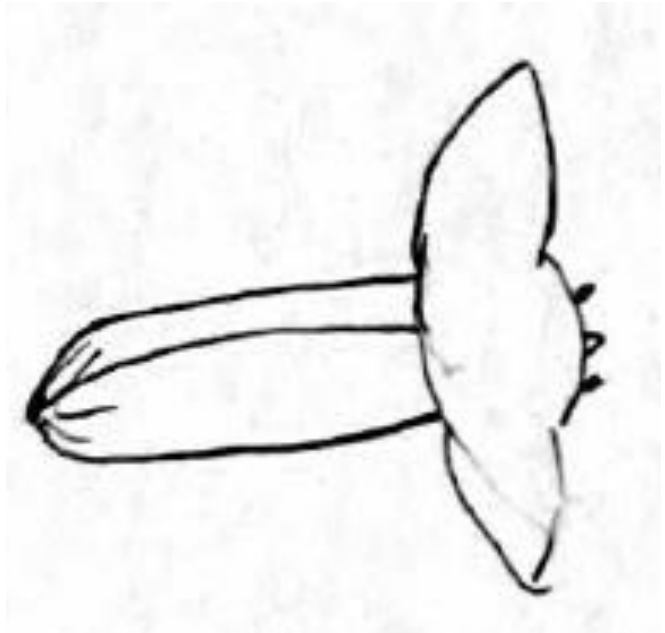

Make sure that stitching is tight.

With very long yar, thread bast stitch triangle into upper half. Place some poly-fill into center of triangle. Pull Triangle almost closed.

Hold back together, place poly-fill inside back, with same long thread, stitch long side of back together. When reach end, can add more poly-fill until right amount.

Pull bottom together by Bast stitch around bottom opening, than pull together in a circle (like pull top of hat together), close and secure thread and tuck in end, hide and cut.

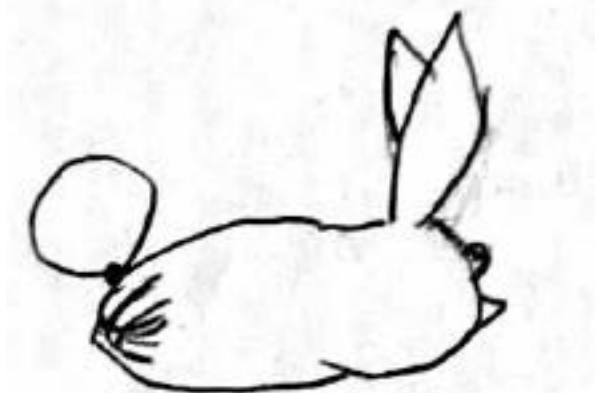

Turn over, mark where two eyes will be and nose, eyes are very close to ears. Open up again, and complete eyes and nose, can be done with black yarn.

Adjust poly-fill. Pull triangle closed with poly-fill inside, and knot closed.

Return to head and shape ears. To secure ear's shape take another end of thread and stitch to pull bottom of each ear together and then pull ears towards each other (behind head). Secure thread, tuck, hide, cut.

Add pompom. Anchor pompoms onto thread (yarn) and sew onto backside higher than the closing.

Add long tail for mouse.

See my version by crochet

Do with the white eyelet band and in one color.

Square blanket is knitted in the round from the center outward – using four pairs of increases to make the four corners. Every OTHER round is the increase round. The border is garter stitch to prevent curling.

Kneedle US7

Markers qty 8 (one a different color for start of round)

Kfb: an increase: knit in front and back of each stitch.

Starting with 4 double-pointed needles

1: Cast 8 stitches, slide 2 sts onto each needle.

2: join yarn, knit a foundation round *k1, kfb* (12 sts total) Each kneedle has three sts.

3: another round as follows: K1, place odd colored marker [k1, pm, k2, pm] 3 times, k1, pm k1

You should know have a marker on EACH side of the middle stitch on EACH kneedle. The odd color marker indicates the beginning of each round.

4: continue as follows

Row 1: *K to stitch before 1st marker, kfb, sm, k1, sm, kfb* repeat * to * until back at odd color stitch

Row 2: K to end, slipping markers as you go.

Each increase round will add 8 stitches. Repeat Rows 1 and 2 until blanket is desired size. Switch to circular kneedles.
