Thailand

It is not a malicious rumor,
it is a fact: they do drive on
the left hand side of the road
in Thailand, most of the time -
anyhow.

A Package Tour:

Leaving Dharam just
before 9 p.m. on a Sunday night
(14 Oct. 79), everybody else
looks oriental on the plane.
Landing in Bahrain 10 minutes
later. We were barely in the
air when I looked down and
saw what I thought was the
new road to Sunset Beach -
it was a highway in Bahrain
already. Free dinner in the
airport restaurant. English
cooking: some peas rolling
around a square sole of beef
